Web Developer

EDUCATION

- 2020 – Now **University of Richmond Coding Boot camp**, I am learning HTML5, CSS and JavaScript and various methods and technologies related to these to build modern, responsive web applications.
- 2020 **Reynolds Community College**, Achieved an Associates Degree in Science
- 2017-2018 **Keystone College**, Attended business classes for two years
- 2010 **Powhatan High School**, graduated a year early.

EXPERIENCE

- 2020 – Now **Freelance delivery driver**, promptly deliver customer requested items safely on various platforms such as DoorDash and Instacart
- 2019 – 2020 **Retail Sales Associate, Total Wine & More**, provided a customer facing friendly attitude to help customers become educated and find their best options for products carried at Total Wine. In this position I became very educated on wine and beer, including becoming a Certified Beer Server via the Cicerone certification program.
- 2019 **Rerhig Pacific, Warehouse Associate**, did various tasks in the warehouse for Rerhig, including stacking pallets, filling the cardboard recycling machine and stacking cardboard pallets for shipment.
- 2019 **Toast, Dishwashing Machine Operator**, used the dish washing machine and handwashing, kept the front line cooks stocked with all needed dishes.
- 2018-2019 **RFM Services, Cable Installation Technician**, Installed and provided maintenance for the equipment owned by Blue Ridge Cable.
- 2017-2018 **Gertrude Hawk Chocolates, Production Associate**, started as a temp and was eventually hired full time to work in the chocolate factory operating various machines.

SKILLS

IT

HTML5, CSS, JavaScript, jQuery, ES6.

Office Skills

Working knowledge of Microsoft Office products, Basic knowledge of business structures and Managerial theory.

Design Skills

Have taken several graphic design classes through High School and college.

HOBBIES

In my free time I enjoy playing music (guitar, piano and harmonica, as well as learning to play the potato ocarina). I am also an enthusiast and advocate for open source software, enjoy programming, and playing video games.
